Visita del Dr. David M. Henneberry, de la División de Estudios Internacionales y Difusión de la Universidad Estatal de Oklahoma.

The screenshot shows a Firefox browser window displaying a news article on the website of the Faculty of Zoology and Ecology at the University of Chihuahua. The article is titled "Visita del Dr. David M. Henneberry, de la División de Estudios Internacionales y Difusión de la Universidad Estatal de Oklahoma". The text describes the visit of Dr. David M. Henneberry, Associate Vice-President of International Studies and Outreach at Oklahoma State University (OSU), to the faculty on Tuesday, February 26th. It mentions a meeting with Lic. Fátima Guzmán Gallardo and Director M.A. Luis Raúl Escárcega. The article also includes two photographs: one of a group of people standing outdoors and another of a meeting around a table. On the right side of the page, there are logos for CONACYT, INEGI, and the National Institute of Statistics and Geography (INEGI) Chapter Mexico Medical Geology. The browser's address bar shows the URL "http://uach.mx/noticias/2013/02/27/osu_visita_2013/". The taskbar at the bottom shows several open applications, including a Word document and a presentation.
