The screenshot shows a web browser window displaying the website for the Faculty of Zoology and Ecology at the University of Chihuahua. The page title is "Tutorías". The main content area includes a navigation menu with "FACULTAD", "POSGRADO", "INVESTIGACIÓN", and "SERVICIOS". Below the menu, there is a "Regresar a página anterior" link and a "Tutorías" heading. A download button is visible with the text "Descargar: Relación_de_tutorados_con_tutor.xlsx". The main text describes the institutional tutoring program, stating its goal is to reduce dropout and improve student performance through a mentorship system. It mentions that the program is implemented through a tutoring card, which requires students to attend at least three sessions with their tutor. A photograph shows a student and a tutor working together at a desk. On the right side of the page, there are logos for CONACYT, INEGI, and the Instituto Nacional de Estadística y Geografía, along with a banner for "ACCESO A BASES DE DATOS".
